

HOTEL URGEIRIÇA

A JÓIA DAS BEIRAS NO CORAÇÃO DO DÃO

FACT SHEET

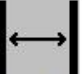

Location Hotel Urgeiriça is situated in Canas de Senhorim about 25km from Viseu and Estrela mountains. For a long time it's been a privileged place for some Portuguese people. In the heart of Beira Alta, in the region Dão Lafões, offering you the quality of one of the best hotels in the country. Its Beira architecture, granite façade and typical English decoration, turn the hotel into a unique and extremely delightful place, where comfort and mystique are constant.

Lodging Renovated till the last detail, the hotel maintains it's original traces of a rich and distinct English style. It has 83 rooms, 2 suites and 5 chalets, all different and decorated by the architect Luis Possolo that maintained it's original style. It has air-conditioning, satellite TV, telephone and radio.

The 5 chalets have different names that identify them in an intuitive way and according to preferences and situation of the guests. For newly weds Camélias is the more adequate one. For families, Vinha chalet, Sobreiro, Mimosa and Oliveira are very inviting retreats located in between the hotel's gardens.

Bar & Royal Restaurante A typical English bar and royal restaurant are places indicated for meetings and fraternization of our guests, that in a calm surrounding can appreciate a range of Portuguese and International cuisine and cocktails made to perfection. This cuisine was declared a cultural inheritance at a national level.

Facilities The hotel has TV rooms, a drawing room and games room. It also has a tennis court, swimming pools, a solarium and a children's recreational park. The fireplace that's always lit, turns your stay that more pleasurable.
